G O O C H

VOL. 1, ISSUE 1.

Jul.-Sep. 1991

### GOOCH COAT OF ARMS

The GOOCH Coat of Arms on front was drawn by an heraldic artist using information recorded in ancient heraldic archives. The record of the Gooch Coat of Arms design may be found in Burke's General Armory. In a later issue, a Coat of Arms in full color, may be possible.

### GOOCH FAMILY MOTTO: "FIDE ET VIRTUTE"

Family Mottos most likely originated as battle cries in medieval times. The above Motto, "FIDE ET VIRTUTE" translates, "THROUGH FAITH AND VIRTUE". Both the Coat of Arms, and the Motto, are recorded in Betham's "Baronetage of England", Volume III, page 237; describes the above Coat of Arms and Motto as authentic for the "GOOCH" of Virginia.

### FAMILY OR SURNAMES

There are at least four primary sources for surnames: occupation, location, father's name, and personal characteristics. Different spellings of the same surname are a common occurrence. Different dictionaries of surnames, give the name GOOCH, as Gooche, Gouch, Gouche, Gouches, Gowche, Guch, Goch, Gooche, and others. The spelling of GOOCH is most used in America today.

### THE GOOCH LINE

The name GOOCH or Gouge is of Welsh/Irish origin meaning red haired or ruddy man, or rich in cattle. According to the "New Dictionary of Family Names," by Smith, the GOOCH line in England has been traced back to Peter GOOCH who died 7 Nov. 1558 at St. Margaret, East Suffolk. The family seat was "Benacre Hall" at Nottingham, Suffolk. The connection is not known at this time, but Elizabeth GOOCH, a daughter of William GOOCH of Northampton married Lawrence Washington, an early ancestor of George Washington.

More later on the early GOOCHES of Colonial America.

This publication is for the sole purpose of reporting findings on the GOOCH family line, in any and all its spellings, and try to help others in pursuit of their family lineage. Other lines will be treated only in direct connection with the name, GOOCH.

Note from editor: With the 4th issue of each volume I will try to include a surname index, to cover all 4 issues of that volume. I hope to have 90-100 pages per 4 issue volume.

Explanation of (FGS) Family Group Sheets, (FGR) Family Group Records, and (MRIN) Marriage Record Identification Numbers. I use computer software from LDS Jesus Christ of Latter Day Saints (Mormon) Church. MRIN numbers appear as FGR numbers when family group sheets are printed out, so the numbers are the same for both. FGS and FGR are used universally in the genealogical world of speaking and writing. They are the same.

In (TGF) The Gooch Family newsletter, I may publish a FGR sent in by a member or other person. If it does not bear a number, this usually indicates I have not entered it into the GOOCH file. To keep the main GOOCH file to a manageable size, I hold it in my paper file or enter it in a computer storage file. This way I can keep it until a time when a connection has been made. If you have a question about any published information, just use the Vol. Issue and page numbers to identify the material of reference. Thanks. Editor.

### ABOUT THIS PUBLICATION

In 1988 I attended the Gooch reunion near Suches, Ga. to begin building a foundation for researching the Gooch family history. Hattie (McDougald) Bell had asked me earlier if I would take her material and continue the effort she had begun. With the help of a number of family members, much progress has been made during the past three years. I soon learned that the project can become time consuming and expensive. So about a year ago I decided to start a publication on the name GOOCH. It's purpose is to organize the many facts found about the family history and to give those interested, a way to respond with help. "THE GOOCH FAMILY" will be issued quarterly, beginning with Jul.-Sep. 1991. All interested individuals are encouraged to take part by responding with questions, comments and new material.

The publication will be financed through subscription or membership. My pledge on this, is I will keep that cost to a minimum. For now, I do all my own typing, composing and printing. Even so, postage, machines and materials do cost.

I encourage everyone to become involved, at least to the point of their own family information. Members may send questions to which they need an answer. These queries will be free to members and \$1.00 each for non-members. Queries and other information for publication should be sent at least one month before publication. Publication months for THE GOOCH FAMILY newsletter will be, Jan., Apr., Jul., and Oct. Material that does not appear in one publication should appear in the next. The Editor takes the liberty to edit material that is too long or not clearly put, taking care not to change the meaning or original message.

Comments and contributions of information are welcome. Let me hear from you. Cecil Daniels, Editor.

Oral documentation

The following story was told Dec. 12, 1954 to Zura (Gooch) Todd, by her Father G.W. (Wash) Gooch, whose age was 85 years.

-----  
James Gooch better known as JIM Gooch was born 10 Feb 1829 Rabun, Co. near Clayton, Ga. He married Elvira Grizzle. She was born in Lumpkin county. ----- JIM Gooch moved from Lumpkin County to Union County, up above where Homer Gooch now lives, near Sarah, Ga. That was at the time of the war. (During Civil war 1861-1865). He brought his family over in Jan. he had to go to war that Spring. That winter he worked in the snow splitting rails and building fences. He didn't get any crop planted before he had to go to the war.

There were just two boys in Jim Gooch's family at that time: Bill and Matt (Matt had what was then called "White Swelling" in his leg). Bill was the only one left to try to do the plowing. He cried because he couldn't plow a straight furrow! His Mother told him to go ahead--just as much corn would grow in a crooked row as on a straight row.

At the time of the battle of Atlanta, the Federals demanded the Confederate army surrender or the town would be burned! Jim Gooch's commanding officer told his Company of men--every man write his own furlough and those who couldn't write, for them to go on home anyway. He gave them orders to come back to Atlanta whenever the "Yankees" left.

Jim Gooch came home. He didn't go back though when he was supposed to go, because another child was expected in his family (Fayette was born during the time of the furlough). A "home guard" they called "Cow Eater" Anderson came and got Jim Gooch. They handcuffed him and Tom Lee (Brother-in-law to Jim Gooch) together. At the same time two men in Lumpkin County were caught and handcuffed together. The "home guards" rode, and the handcuffed men had to walk. When they got near Cummings, Ga. the two men from Lumpkin ran into the woods and got away. Some how the men managed to beat the handcuffs off; and finally they got back home. They were never caught and taken back to the war.

Jim Gooch told "Coweater" Anderson something that caused Anderson to decide it would be best to take the handcuffs off him and Tom Lee. Jim told Anderson, "When we get in a battle, you will be the first man I'll shoot down". In those days handcuffs were bradded on, so when they came to the next blacksmith shop, Anderson had the handcuffs cut off. Then they went on to Atlanta.

Bill Gooch was not old enough to be called to the war but before the war ended, he volunteered. Captain Williams wanted him to go along and blow the fife for him.

Jim Gooch was gone for three years during the war that his folks---never heard from him to know where he was.

Jim Gooch's Father was Tillman. Of where he came from, only recollection of him is he lived in Rabun county. Tillman went to drive the Indians and never came back.

Jim Gooch had one brother, Sam. There were four or five girls in Jim's family. One, they called Betts. One was named Ann. The others' names are not remembered. (Note: the fact that Wash Gooch did not remember much about his aunts, would give credit to stories that still circulate, "that Tillman came over to Lumpkin with his boys to get away from their Mother." It appears, he left her with the girls to raise. The Tom Lee, mentioned above as bro.-in-law could have been married to one of Elvira's sisters. (There are Lees and Grizzles still living in the Yahoola community.JCD)

## THANKS

This is just to say thanks to the many of you who have replied to my requests for information. I hesitate to begin listing, for fear of leaving someone out. But I do want to say a special thanks to William (Bill) Gooch, from Jasper, Ga., who headed up the Gooch reunion for many years. He let me borrow his notebook of information, which was gathered over a 20 year period or more. Much of the material on families descended from Jim and Elvira Gooch is much more complete because of his effort. I will try to recognize others when the material they contributed is used in the newsletter.

## FUTURE ISSUES

Future issues are already in the planning stages, but plenty of time to get your information in if you act right away. THE GOOCH FAMILY is not just for Georgia Gooches. We will be including information from all over. Also we will be reaching into history and including some of the ones who made it in the records. You may be surprised at some Gooches who held important positions during their times.

In the very near future other surnames will be covered, such as; Garner, Hendrix, Watkins, Grizzles and others. It is the other surnames kin to Gooch that needs most research. You can help if you have information on the other lines. I depend heavily on others interested in this project to make it succeed. So don't think your contribution is small, even though you may think it is not significant. I always like to hear from family members. It often picks me up when I need it. When writing to friends, and especially other Gooch family members tell them about THE GOOCH FAMILY newsletter.

Old pictures are needed. Don't send me originals, but if you will have copies made I will reimburse your cost. I will try to use some in future newsletters. Original documents? The same applies especially if they are not in a public library. Let me know what you have and I'll tell you if it would be valuable to the Gooch history.

Tell me what you like or don't like about the newsletter. I'll try to improve in any way possible. Right now I am using a copying machine to do the printing. There may be a point in time where other printing methods would be better or more economical. Let me hear from you.

## EDITORS NOTES ON JIM GOOCH

I have given much thought to Jim and Elvira Gooch after following them through the records of several decades. In 1850 at the time of the census Jim was listed in the house of his brother Sam. Elvira was listed in the house of John and Sally Grizzle. Since she was listed where children are listed, I am assuming that John and Sally are her parents. Sally's maiden name is not known. Jim and Elvira were married in Dec, 1850. In 1860 the census lists him as James W. Goach. Since the census is taken by hand (that's all they had) the census workers spelled names as they thought they sound. Jim's civil war record is also James W. Goach. In a later census Jim is listed as James G. Gooch. Then in 1900 he is James M. Gooch, Sr. So it is my opinion that since there was no birth certificate anyway, Jim from time to time altered his name as he wished. Also in 1900 there was close by a James M. Gooch, Jr. I take that to be Matt Gooch, Jim and Elvira's second son. Full name being James Madison Gooch, Jr. I would like to hear anyone's opinion or see any other documentation on the correct name for Jim Gooch.

I have included this information to help clarify differences you might find throughout my records. Thanks. Editor. JCD
